The Marine Activity Centre

Pledge Form

To: Vice Commodore Finance
Chair – Marine Activity Centre Fundraising Committee

I have reviewed the information on the proposed RNSYS Marine Activity Centre and am pleased to confirm my pledge to make the tax-deductible donation(s) referenced below.

I understand that I can make a single donation; all of which will qualify for a tax deductible donation in the year the donation is made.

Alternatively, I understand I can spread my commitment over four equal payments; one of which is due with this pledge form with the balance by way of three equal installments on November 1st of 2009, November 1st 2010 and November 1st 2011. I understand the club will make a diary note for this annual payment and will contact me on or about October 1st to make arrangements for the subsequent donations. Under the installment donation method, only the actual donation made is tax deductible in any given year.
