Validity: Protest or request valid

Case Summary:

Procedural Matters:

Fact Finds:

NOR 1 and ITA 720 were on starboard tack after starting, with NOR one boat length to leeward. NOR bore away, tacked and bore down to a reach to pass .5 metres astern of ITA 720.

As NOR 1 passed ITA 720's stern, ITA tacked to port.

As ITA was falling off to close-hauled she established an overlap .5 m to windward to NOR 1.

There was no contact.

No boat took a penalty.

Conclusion and Rules applicable:

ITA to windward failed to keep clear of NOR to leeward and broke rule 11.

Since the overlap was established because of ITA's tack, NOR did not break rule 15

Decision:

ITA 720 is disqualified in race 4
